

**GENERAL TERMS and CONDITIONS APPLICABLE TO THE SALE AND
DELIVERY OF PRODUCTS BY AEROVAC (legal entity further identified in the order confirmation/acknowledgement/delivery
documents/invoice) HEREAFTER: AEROVAC**

1. GENERAL

- 1.1 These terms and conditions (the "Conditions") apply to all offers and orders to AEROVAC for the sale and delivery by AEROVAC of products (the "Goods") and services (the "Services") and the contract between AEROVAC and the other party (the "Customer") (the "Agreement") shall be subject to these Conditions.
- 1.2 The applicability of any terms and conditions of the Customer is hereby expressly excluded.
- 1.3 Provisions that deviate from these Conditions can be invoked by the Customer only if and to the extent that these provisions are accepted by AEROVAC in writing.

2. OFFERS, ORDERS AND AGREEMENTS

- 2.1 All offers from AEROVAC are non-binding.
- 2.2 Orders and acceptance of offers by the Customer are irrevocable.
- 2.3 AEROVAC is only bound when it has accepted an offer in writing or has begun performance. AEROVAC is moreover only bound by what was accepted in writing. Verbal commitments or agreements by or with AEROVAC personnel do not bind AEROVAC except and insofar as AEROVAC confirms these in writing.
- 2.4 These Conditions apply to both changes to the Agreement and to separate agreements.

3. PRICE

- 3.1 Prices set by or agreed to by AEROVAC are exclusive of V.A.T. They are valid for Ex Works (EXW) AEROVAC plant as referred to in the INCOTERMS 2010 unless otherwise agreed.
- 3.2 The price of Goods or Services is the price valid at the time of shipment of the Goods or performance of the Services. All shipment and delivery dates are estimated dates only.

4. DELIVERY PERIOD AND DELIVERY

- 4.1 The delivery period starts after the conclusion of the Agreement, and after AEROVAC has received all data to be provided by the Customer and (if appropriate) after advance payment has been received by AEROVAC or security for payment has been put at its disposal.
- 4.2 For Aerospace and Industrial Materials segment sales, AEROVAC's shipment of quantity ordered plus or minus 10% shall be deemed compliant with the order and Customer shall be obliged to pay for the actual quantity shipped. Failure to deliver within an agreed or stipulated delivery period does not entitle the Customer to any damages or to non-fulfillment by it of any of its own obligations arising from the Agreement. The Customer is, however, entitled to rescind the Agreement by written declaration if, and insofar as after a failure to deliver within an agreed delivery period, AEROVAC still fails to deliver the agreed upon Goods or Services within a reasonable period stipulated by the Customer in writing.
- 4.3 Delivery periods will be extended by the amount of time that the implementation of the Agreement is delayed by any event of force majeure. They will also be extended by the time that the Customer is later in the fulfillment of any of its obligations than is agreed to or could reasonably be expected by AEROVAC.
- 4.4 AEROVAC has the right to deliver Goods or Services in parts and/or through an affiliate. Each partial delivery will be deemed a separate delivery with respect to the applicability of these conditions.
- 4.5 AEROVAC shall not be obliged to deliver, in any month, any quantity of Goods in excess of 10% of the Customer's forecasted annual purchase volume for the Goods made known to AEROVAC or, in the absence of a forecasted annual purchase volume, 10% of the historical purchase volume of the Customer over the last six months but subject always to the availability of Goods. AEROVAC reserves the right to allocate available goods amongst its customers.

5. TRANSPORTATION AND EQUIPMENT

- 5.1 In all cases where AEROVAC arranges for transport, it is entitled to solely determine the mode thereof.
- 5.2 AEROVAC is only obliged to co-operate in filling or loading containers, tankers, trucks and/or other means of transportation equipment arranged for by the Customer, if these are in a ready-to-fill position, if they comply with AEROVAC and Government safety laws and regulations, and if all instructions by AEROVAC with respect to loading are followed without delay.
- 5.3 AEROVAC's returnable semi bulk containers and (other) equipment of AEROVAC put at the Customer disposal should be used in conformity with AEROVAC's instructions and returned to AEROVAC in conformity with any express agreement between parties or, in the absence of an agreed date of return, as soon as possible after the agreed or intended use thereof.

6. RISK, TITLE, INTELLECTUAL PROPERTY

- 6.1 Risk of loss of any Goods shall transfer to the Customer upon delivery to a carrier or when AEROVAC has complied with its delivery obligations, whichever comes first.
- 6.2 All Goods sold and delivered by AEROVAC remain the property of AEROVAC until such time as the Customer has paid in full all that which is owed to AEROVAC in connection with this Agreement or any other agreement between AEROVAC and the Customer, including damages, costs and interest. At such time Customer will receive good title to all such Goods free from any lien or encumbrance.
- 6.3 AEROVAC may, by giving notice to the Customer, pass legal and beneficial ownership of the Goods (or any of them) to the Customer at any time before such ownership would otherwise have passed to the Customer.
- 6.4 In case the Customer incorporates or transforms the Goods into another product prior to the full settlement of that which is owed to AEROVAC under article 6.2., Customer assigns herewith to AEROVAC title to the other product resulting from such incorporation or transformation, in proportion to AEROVAC's goods incorporated or transformed.
- 6.5 In case the Customer sells Goods or a product into which the Goods have been incorporated and/or transformed prior to the full settlement of that which is owed to AEROVAC under article 6.2., the Customer assigns herewith to AEROVAC any receivables and claims in relation to the sale of the goods or the product into which the Goods have been incorporated or transformed.

- 6.6 The industrial and intellectual property rights to or associated with the Goods delivered remain with AEROVAC or third parties entitled thereto and are never transferred to the Customer.
- 6.7 The Customer shall not market, sell or trade any Goods under AEROVAC's trademark without AEROVAC's prior written permission.

7. INSPECTION, ACCEPTANCE

- 7.1 The Customer is obliged to take physical acceptance of the Goods at the agreed location at the time of arrival. All costs of AEROVAC associated with a failure to take acceptance are for the account of the Customer, costs of transport and storage included.
- 7.2 The Customer is obliged to inspect the Goods with respect to weight, quantity and immediately noticeable defects at the time of physical acceptance.
- 7.3 Claims with respect to immediately noticeable defects should be notified to AEROVAC in accordance with clause 9 of these Conditions and AEROVAC's obligations are as set out in that clause.
- 7.4 Claims with respect to shortages (weight, quantity) should be notified to AEROVAC in writing within 14 days after physical acceptance. In the case of a justified complaint made in a timely fashion AEROVAC shall, at the option of the Customer, either arrange for an additional delivery or credit the Customer in proportion to the extent of the shortage. With respect to shortages, AEROVAC shall have no further liability than the above obligations.

8. FORCE MAJEURE

- 8.1 AEROVAC is entitled to invoke force majeure if the implementation of the Agreement is, in whole or in part, temporarily or not, prevented or impeded by circumstances reasonably out of its control, including natural disasters, epidemics, war, mobilisation, revolution, site or building blockades, strikes, specific work interruptions or work-to-rule slowdowns and lockout, transport interruptions, shortage of raw materials or energy, delay in the provision to AEROVAC of Goods or Services ordered from third parties, equipment failure, accidents and interruptions of business operations.
- 8.2 In the case of force majeure on the part of AEROVAC, its obligations are suspended. If the force majeure lasts longer than (4) weeks, AEROVAC and the Customer are both authorized to rescind the non-feasible parts of the Agreement by a written declaration, without prejudice to the provision of article 12.

9. WARRANTY

- 9.1 Subject to clause 10.1 below, AEROVAC warrants that on delivery its Goods will conform with the attached specification, if any, and otherwise to the AEROVAC's standard specification in all material respects. NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WHETHER OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR AGAINST INFRINGEMENT OR OTHERWISE, IS MADE AS TO THE GOODS SOLD OR ANY INSTRUCTIONS OR TECHNICAL ADVICE PROVIDED. In case of defects for which claims are submitted in a timely fashion, AEROVAC will at its own option either redeliver conforming Goods to Customer at no cost, or, credit the Customer as far as reasonable in whole or in part for the invoice value of the Goods in question.
- 9.2 With respect to immediately noticeable defects, the Customer must submit a claim no later than (14) days after delivery of the Goods, on penalty of loss of any warranty entitlement towards AEROVAC.
- 9.3 Claims with respect to other defects must be made within (14) days after their appearance and while still within the warranty period, on penalty of loss of any warranty entitlement towards AEROVAC.
- 9.4 Any right to a warranty lapses if:
 - a) directions given by AEROVAC (or if there are none, good trade practice) for storage, commissioning, installation, use or maintenance are not followed exactly;
 - b) the Customer makes use of the Goods after giving notice in accordance with clause 9.2 or 9.3 above;
 - c) the defect arises as a result of AEROVAC following any drawing, design or specification supplied by the Customer;
 - d) the Customer alters or repairs the Goods without AEROVAC's prior written consent;
 - e) the defect arises as a result of fair wear and tear, willful damage, negligence or abnormal storage or working conditions;
 - f) the Goods differ from their description or the specification as a result of changes made to ensure that they comply with applicable statutory or regulatory requirements;
 - g) Goods are used improperly or not in conformity with the agreed to or usual purpose; or
 - h) the Customer has not fulfilled or has not fulfilled adequately or on time any of its obligations towards AEROVAC arising from this Agreement.
- 9.5 AEROVAC's warranty liability in connection with any defects in Goods it delivers is limited to its obligations under the warranty described in this clause 9.
- 9.6 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from this Agreement.
- 9.7 These Conditions shall apply to any repaired or replacement Goods supplied by AEROVAC.

 - 10.6 The Customer agrees to protect, defend and hold harmless AEROVAC from and against all claims, demands, causes of actions, damages, losses, liabilities, costs, expenses (including reasonable legal fees), penalties, and judgments ("Claims") associated with the processing, transportation, delivery, unloading, discharge, storage, handling, sale or use of any Goods after delivery which is (i) inconsistent with any information provided to the Customer by AEROVAC; or (ii) in violation of any applicable statute, ordinance or regulation of any governmental authority.

As soon as the Customer is in default on any payment, all AEROVAC's remaining claims on the Customer become due, and the Customer is immediately in default without notice with respect to those claims. As from the day on which the Customer is in default, the Customer owes AEROVAC late interest of 1% per month or part of a month during which the default continues.
