

AEROVAC's General Sales Terms and Conditions of Sale

1. Offer and Acceptance. These Standard Terms and Conditions are a part of, and govern, all transactions between Aerovac LLC, a Delaware limited liability company ("Aerovac" or "Seller") and you, the Buyer ("you" or "Buyer"), and supersede any terms and conditions in any of Buyer's documents. You may submit, accept or confirm orders using your form documents; provided, however, that no terms or conditions therein shall apply. If any form document you submit to Aerovac constitutes an offer or acceptance of an offer to purchase products from Aerovac, these Standard Terms shall govern the resulting contract. Your acceptance of any offer by Aerovac to sell products (the "Products") to you must be limited to these Standard Terms and the additional terms set forth by Aerovac in such offer. **YOU ARE HEREBY NOTIFIED THAT AEROVAC OBJECTS TO ANY ADDITIONAL OR DIFFERENT TERMS OR CONDITIONS CONTAINED IN ANY ACCEPTANCE OR ANY OFFER MADE BY YOU.** Aerovac shall not be deemed to have waived this provision if it fails to object to the conditions appearing in, incorporated by reference, or attached to any Buyer's document. No online or electronic terms or conditions will be binding upon Aerovac even if such terms are "accepted" in order to access or use a system. Buyer's acceptance of products called for in either a sales contract of or in an Aerovac purchase order accepted by Aerovac shall constitute Buyer's acceptance of these Standard Terms and Conditions of Sale.

2. Price and Taxes. The price, quantity and description of the products to be provided are specified on the applicable Aerovac order confirmation or invoice. Prices do not include shipping, insurance, sales or excise taxes, tariffs, customs, duties (import or export), special charges, assessment, or other charge which is imposed by any governmental authority upon the Products, transactions, and/or services contemplated hereunder (including the delivery, sale, use, production or consumption of the Products or privilege of doing any of the same), and/or which is imposed on or measured by the price of the Products or the proceeds of sale hereunder, and/or which is incurred by Seller in connection with the Products sold hereunder due to any governmental action concerning the regulation, control or limitation of greenhouse gases (each a "Tax"), shall be added to the price or prices set forth herein and shall be paid by Buyer or to be reimbursed by Buyer to Seller in the event Seller may be required to pay any such Tax, unless said price or prices specifically state that they include any particular Tax, and such charges may be separately itemized on the invoice and shall be paid by Buyer. Additional charges may be added for expedited and/or non-customary means of shipment, air shipments and special packaging requirements.

3. Purchase and Shipments.

- a) Buyer shall submit written purchase orders to Seller specifying shipping instructions, quantities and delivery dates for Products, which purchase orders shall be subject to Seller's written acceptance. Buyer may not cancel any purchase orders once accepted by Seller without Seller's prior written consent. A time or date stated for delivery is an estimate only and Buyer shall not be entitled to receive any changes for late deliveries. Each Product shipment shall constitute a separate and independent transaction and Seller shall be entitled to be paid in full by Buyer for each such shipment without regard to any other shipments.
- b) Unless Buyer is purchasing Product(s) as an authorized Seller distributor or reseller, all purchases of Product(s) shall be used by Buyer solely and exclusively for further manufacturing, provided that the Products shall never be used with respect to the manufacture of biomaterials.
- c) If Buyer is purchasing the Product(s) as an authorized Buyer distributor or reseller, Buyer shall not resell or distribute the Product(s) to any third party unless such entity shall use the Products solely and exclusively for further manufacturing, other than the Products shall never be used with respect to the manufacture of biomaterials.
- d) If Buyer is an authorized Seller distributor or reseller of the Product(s), Buyer represents and warrants that it will not (i) resell the Product(s) to any party which engages in research concerning, or the production of, any military devices, armaments, or instruments of warfare of whatever type or form without having previously received Seller's written permission and without being in compliance with all applicable laws, including ITAR, or (ii) repackage the Product(s) from that provided by Seller or change or remove Seller labels without having

- g) Unless otherwise specifically provided, delivery of products shall be delivered Ex Works Aerovac's shipping point (Ex Works defined by Incoterms 2020). Title to and risk of loss and damage shall pass to Buyer upon transfer of the products by Aerovac to a carrier at the shipping point. Delivery, shipment and other performance dates are estimates only, and in no event shall Aerovac have any liability for loss of use or for any direct, consequential, or incidental damages resulting from any delay or failure in delivery, regardless of the reason(s) for such delay or failure.
- h) Written notice of any order discrepancies, shipping errors or freight damage must be provided to Aerovac within two (2) business days of receipt, or (i) Buyer is deemed to have accepted the Products, (ii) all claims and rights relating to such discrepancies, errors and damage are irrevocably waived by Buyer, and (iii) Buyer assumes all liability and responsibility therefor, in each case, subject to Section 12.

4. Container Deposit. Aerovac may require a deposit for the return of all product containers, which remain Aerovac's property. This deposit must be paid in full. Aerovac will refund such deposit to Buyer provided: (i) product containers are returned to Aerovac's original point of shipment within sixty (60) days from date of invoice; (ii) Buyer has paid in full all freight charges for the return of product containers; and (iii) all returned product containers are the same as originally shipped and show no evidence of damage, abuse or use for purposes other than storing the original contents. Any demurrage or detention charges payable to any transportation carriers shall be payable by Buyer. Buyer will bear all risk of loss and damage for the product containers and any other equipment furnished by Aerovac. Aerovac may charge Buyer for the full replacement cost of the containers if the containers are not returned within such 60-day period. Aerovac may also charge Buyer for any replacement, cleaning, or repair due to damage, abuse or use of other purposes and may, among other remedies, deduct these costs from the deposit. Buyer shall place all product container numbers on bills of lading and shipping papers to permit Aerovac to facilitate identification and return of any deposit to Buyer.

5. Credit Terms. All terms are subject to Aerovac's credit approval process. If Aerovac does not require a cash payment in advance, payment is due thirty (30) days from the date of Seller's invoice, unless otherwise agreed to in writing with Aerovac. Any and all clerical errors on the invoice are subject to correction by Aerovac at any time. Credit terms are subject to change at any time by Seller in its sole discretion. The representations, warranties and agreements of Buyer in any application for credit from Seller are hereby incorporated by reference. Seller reserves the right to suspend further deliveries upon failure of Buyer to make any payment when due pursuant to this or any other agreement with Seller. Additionally, if, in the judgment of Seller, Buyer's financial responsibility becomes impaired, however evidenced, Seller may, among other remedies, refuse to deliver prior to Seller's receipt of payment in full from Buyer, or receipt of a letter of credit or other form of credit support or security acceptable to Seller in its sole discretion. Any delinquent or overdue invoices shall be subject to a charge of 1.5% per month or the maximum rate allowed by law, whichever is less. You agree to pay Aerovac's reasonable costs of collection, including attorney's fees for delinquent accounts. Until full payment is made, Aerovac shall also have continuing purchase money security interests in all Products delivered to Buyer, as well as all proceeds, replacements, or substitutions of the Products. Upon default by the Buyer for any reason, Aerovac may, without notice to the Buyer, declare all liabilities and obligations immediately due and payable and shall have all rights and remedies of a secured party under the Uniform Commercial Code.
